HENLEY CAREERS
Making the most of all you've learned & all you are

Your star quality

As you're about to find out, this is not the time to rest. Instead, put your best foot forward at the right time.

Book an appointment through My Jobs Online to meet a Careers Consultant who can help you at any point in the journey.

Our guiding lights

In order to make the most of all you've learned & all you are, you need to act on it. But where to start? It can be daunting. The Careers Consultants are here to help. They can help you find your perfect fit and get you started on the right path.

Outside of your timetabled sessions with our Careers Consultants, you can also meet them for one-to-one appointments. Appointments are confidential and unique to you, whether you want to talk about planning your career journey, writing your CV or practice for an interview or presentation.

Make the most of the Careers Consultants – they are all qualified coaches with industry knowledge. They are here to support you in your career, whatever your next move is.

Stephanie Shaw, Acting Head of Careers Consultants, Henley Business School

Through My Jobs Online you can begin your journey to find the right job for you with resources to help you refine your CV, prepare for interviews and more.

ALUMNI WEBINARS
Hear from recent alumni about what they are doing since they graduated, including working in banking, start-ups, audit, wealth management and further study.

THE EIGHT O’CLOCK CLUB
This series of webinars is with different employers in China so you can find out how to get employed in China after you graduate.

CAREERS WEBINARS AND WORKSHOPS
Here we cover what it’s like to work in different industries and sectors, as well as skills workshops where you can practice key skills that employers look for when they are recruiting, such as teamwork, communication and project management.

Whether you’ve never written a CV before or you know yours off by heart, your CV is vital to help you secure a job. Download a structure from Blackboard and read our tips.

Through My Jobs Online you’ll be able to apply for and try out jobs that match your skillsets. Log on to search the job board for vacancies.

Finding a new job can be a challenging and frustrating experience. We’ll help guide you through some of the different recruitment stages offering practical interview tips, practice video interviews, presentations and case study scenarios.

info that makes this a keeper

CAREERS NEWSLETTER
They contain all the information and updates about careers, industry insights and events. Look out for them in your inbox.
