Reading also hosts jazz, real ale and comedy festivals throughout the year, and even has its own fringe event. It also boasts a range of arts, drama, comedy, music venues and a 10-screen cinema.

NIGHTLIFE

Reading is packed with a range of pubs, bars and clubs, so you can chill out with a cocktail, watch an open mic night or hit the dance floor.

ADVICE SERVICE

This free service covers Housing, Money, Academic and Welfare Advice.
Our great location is one of the many advantages of studying at Henley. The Whiteknights campus is only a short distance from Reading town centre, which has some of the best retail and entertainment facilities in the UK. London Paddington is just 30 minutes from Reading by train. Direct links with both London Heathrow and London Gatwick airports. Oxford ‘the city of dreaming spires’ is just 25 minutes by train.

If you prefer the countryside to city life then there are plenty of attractive riverside towns and villages to discover along the beautiful Thames Valley, as well as country walks in the Chiltern Hills. Bicester Village — the designer outlet shopping centre — is just an hour away by car.

The town has a proud history of welcoming people from across the globe, and international students often comment on the warm atmosphere and multicultural vibe found here.

WHITEKNIGHTS CAMPUS
Our beautiful parkland campus at Whiteknights was voted one of the best open spaces in the UK and awarded the prestigious Green Flag in 2018 for the seventh consecutive year, recognising it as one of Britain’s top green spaces.

We have 134 hectares of green parkland surrounding a central hub of key buildings, so you’ll find plenty of places to relax during the day. The campus is at the centre of University life and provides a special sense of community.

Whiteknights campus is a beautiful green Oasis, with its distinctive woodland walks, conservation meadows and large lake. Its appeal stems from both the natural beauty if the landscape to the university architectural diversity.
NEED A VISA?
You will generally need a visa to study in the UK if you are a national of a country outside the European Economic Area (EEA) or Switzerland.
If the course you are applying to is shorter than six months, you can enter on a Short-term study visa. If your course is longer than six months, you will need a Tier 4 (General) visa.
You can only apply for a visa once you have been offered a place on a course and meet all other eligibility pre-requisites. It is your responsibility to meet the requirements of your visa and leave the country by the date it specifies.
We provide an on-campus immigration advice service should you need any information while you are here.

PRE-SESSIONAL ENGLISH COURSES

REAL ESTATE & PLANNING

When I first joined I was drawn by the beautiful campus setting and the proximity to London. When choosing where to study for my Master’s, Reading was an obvious choice. Reading is top in the country for real estate. The network of friends that I have built up around me will be vital. As we will all be entering the property industry together, they are an immediate network of contacts I can avail myself of throughout my career. The course also included case study trips to different cities across Europe.
