

## Credit for prior learning

Those who have successfully completed the Henley Professional Certificate in Coaching, Facilitation or Change Management, or those that have completed the Leadership & Change module on Henley MBA, within the last 5 years, will be given exemption from the elective at Stage 1.

When granted, applicants will not need to submit the individual assignment for that subject.

If you have previously attended other Henley Business School leadership development programmes, or equivalent, you can choose the Assessment of Prior Experiential Learning elective in Stage 1.

You will be required to produce a 3,000 word written summary of your prior experiences for assessment, to be submitted before the deadline for the Stage 1 elective.

Requests for exemptions are only considered at the time of application to join the programme.
